Trusteer Rapport security software

Important: Please note, if you are not already a Trusteer user, you may be prompted to download Rapport on your next login.

Helping to keep you safe from online attacks when you bank online with us.

Here at The Co-operative Bank we want to make Internet banking as safe, whilst convenient as possible – giving you the added peace of mind when you bank online with us. We've teamed up with Trusteer to bring you Rapport security software, a free and easy to download tool designed to make your online banking even more secure.

[Download](#)

Important: The Co-operative Bank will never email you to download Trusteer. If you receive such a request, do not access the link and please forward the email immediately to: ihaveseenascam@co-operativebank.co.uk

What is it?	Key Benefits	Why use it?
Whilst anti virus software and firewalls provide valuable protection against fraud, the threat of online attacks continue to become increasingly sophisticated.
